

COLLECTIVE
POTENTIAL

2017 EVENT CALENDAR

Experience authentic connection

Collective Potential is a self development social enterprise committed to helping people create change. Our events and workshops are spaces to grow as a human being and change how you show up in the world. We provide practical tools for change, self awareness experiences and a community that has each other's backs.

Real Roadtrip

Collective Potential is coming to you!

Emeli and the team are driving around Australia to run events and workshops in local communities and businesses. Get your town involved!
